

**Head of a hydra**

**Body and wings  
of a Phoenix.**

6 human feet

**My creature is called the creature. The creature has a body and wings of a phoenix. It has a head of a hydra and 6 human feet. My creature can not die and it shoots poison, it can fly and if you cut off a head, there grows two more heads.**

**My creature was created by evil people. They made him because they wanted to use him to take over the world and make him their slave, but he ran away. The evil people made the creature by taking 7 hydra heads, a body and wings of a Phoenix and 6 human feet and hot gluing the parts together. The creatures purpose is to live and eat humans, and try not to get killed.**
